BUS ROUTES FOR AFTER SCHOOL ACTIVITIES BUS SERVICE

Kindly note that this bus service is strictly for Grade 3 and above students as this service will drop them at pre-designated drop-off points. We seek the kind understanding of parents/guardians of students taking the After School Activities Bus Service to reach earlier at the selected drop-off point to pick up their children. This is because there will not be any bus attendant on board these buses to contact them (should the parents be late) and the buses will not be able to wait as this will affect the subsequent drop-off timings.
