

**SMART English Junior General Information**

SMART Junior is an intensive General and Academic English course for students aged 11-14 years old, who wish to study at International or government secondary school in Singapore, and for whom English is a foreign language.

Elementary is for students testing at Common European Framework (CEFR) level A1, Pre-Intermediate is for students testing at CEFR A2, Intermediate is for students testing at CEFR B1, and aims to raise their level to B1+/B2 at the end of Intermediate.

**What does SMART English Junior cover?**

SMART Junior will help students with using functional English on a daily basis, as well as prepare them for the academic experience of studying at International school in Singapore. The course will:

- ✓ Raise students' English levels through an integrated course-book based syllabus aimed at young teenagers, focusing on listening, speaking, reading, writing, grammar, vocabulary & pronunciation.
- ✓ Improve students' exam skill strategies with regular *Aptis for Teens* exam preparation study and mock tests
- ✓ Introduce students to subject-specific English to prepare them for their International school study
- ✓ Task-based projects for the international student-centred classroom e.g. presentations, critical internet research

**What materials will students use?**

The programme will utilise a carefully selected course book series (Macmillan Education : Gateway (2nd Edition) incorporating relevant and motivating content. Our experienced and highly qualified teachers will also supplement the course book with highly engaging supplementary materials appropriate to the age and level of the students. Students will also be given guidance and access to online resources to consolidate their learning outside class.

**How will the British Council measure my child's progress?**

We will assess students' Aptis level at the start of the course to gauge which key exam areas to work on during the course, and again at the end of the course to measure their progress. There will also be weekly grammar and vocabulary quizzes to check understanding, and we will write progress reports every four weeks.

**What is the maximum class size?**

The maximum class size for SMART English Junior is 16.
