## VISION

CIS will provide extraordinary learning opportunities for the globally connected student. A nurturing environment, an international curriculum, and a culturally diverse community will facilitate exceptional achievements. Together we will take action to make the world a better place.

## MISSION

Engage. Enlighten. Empower.

## VALUES

CIS's values are a behavioural blueprint that shape who we are as a school community and as individuals. In all that we do, we ask ourselves – does this promote what we value most?

- Collaboration
- Curiosity
- Creativity
- Generosity
- Respect
- Excellence

## FACULTY

Over 60% of staff hold advanced or double degrees. Many CIS faculty are IB trained. While CIS teachers may differ in nationality, background and age, they share a few common qualities. They are well educated, talented, and perhaps most importantly, they inspire their students, and their students inspire them.

## SECONDARY SCHOOL OVERVIEW

Secondary school at CIS is an environment that combines consistently high expectations for academic success with relentless care and support, resulting in students who are confident, passionate and driven to succeed.

Our school has a breadth and depth of programmes, a culture of innovation, and a commitment to diversity and global engagement that is unique. We focus on developing the knowledge, skills and attitudes essential for success in the 21st century. We teach students to think critically, to see the connections between subject areas, to adapt skills for the situation at hand, and to adopt a range of different approaches when solving complex problems.

Our academically challenging programme is complemented by a broad range of languages, fine arts, athletic and service learning opportunities designed to develop balance, deepen connections and to uncover true learning potential.
