

The application process.

We are delighted you are considering CIS for your child. The application process begins with the submission of an application form, payment of the application fee, and submission of supporting documents. Our entry requirements page outlines what you need to know before submitting an application.

Step

Complete the application form.

Applications can be submitted online. All applications must be accompanied by the compulsory non-refundable application fee of S\$2,500.00.

Step

2

Submit the supporting documents to our Admissions Department.

The following documents, which must all be original versions, should be sent to our Admissions Department after you submit your application.

- Photocopies of all relevant psycho educational or special education evaluation reports (if applicable)*.
- 3 passport sized photographs (electronic JPEG format is acceptable).

**These documents must be supplied in English. If documents are not in English, parents will need to provide official translated copies. Translations must be carried out by a Notary Public, a Translation Agency or your own National Embassy.*

Acceptance to CIS will be based on a comprehensive review of all requested documentation. This may include, but is not limited to:

- Consideration of a student's age and/or the most recent grade level completed.
- Review of prior school reports.
- Student profile considerations including behaviour, social skills, work ethic, attitude, English proficiency level and additional learning support needs, if any, required by the student at the current school.

CIS may need to conduct assessments, and/or contact teachers at the student's current school. Upon completion of the review process, CIS reserves the right to decline an application regardless of whether the applicable documentation and payment of the application fee is complete or not.

Step

3

Sign the student contract upon acceptance of a place at CIS.

The CIS student contract must be signed by both parties within 14 days from the issue date of the contract to confirm a student's enrolment. Please see www.cis.edu.sg/admissions/application-process for more information.

Step

4

Pay the confirmation fee.

An invoice will be issued for the confirmation fee after the student contract is signed.

This fee must be paid and received by the school by the due date indicated on the invoice. Should this not happen, both the place offered and the student contract will lapse.
