SCHEDULE 2 - IB CONSENT FORM

Student's Name: _____

Students at the Canadian International School create exemplary work. Students' work is sometimes shared in-house during staff meetings, assemblies and between students, for example, reading buddies looking at each other's work together.

The International Baccalaureate (IB) at times requests samples of student work, images and videos of our students engaged in learning opportunities. The IB runs teacher-training workshops and publishes materials such as the magazine IB World where students' work or images may be used. In addition, the IB also publish training materials, both in a printed form and on their password-protected web site for teachers. These training materials are greatly improved and enhanced with authentic samples of students work.

The IB would greatly appreciate your permission to use samples of your son/daughters work, images and videos should the school select them. In order to provide the IB with work samples, images or videos, we need your written authorization.

Please check one box in each section below to give the school the necessary authority to share materials with the IB and sign the form. The school will retain this for the duration of your son/daughter's time at CIS.

Student's School Work

- On behalf of my son/daughter/ward, I grant the IB a non-exclusive worldwide license to use any of my son/daughter/ward's work that the school chooses to submit, in whatever medium (this includes written work, audio and visual materials).

I note that this means that the IB may reproduce and publish the materials in any medium for training, promotional or other purposes in relation to the IB's activities or those related activities of which it approves. I note that these materials may be modified, translated or otherwise changed to meet the IB's purposes and will be anonymized to protect my son/daughter/ward's identity.

- On behalf of my son/daughter/ward, **I retain exclusive copyright** of his/her work, in whatever medium, and **do not give permission** to the school to submit it to the IB.

Student's Visual Image

- On behalf of my son/daughter/ward, **I give permission** to the IB to reproduce photographic and video images of my son/daughter/ward in whatever medium, as described above. I understand that these pictures will have been taken in the course of approved school activities and in circumstances under the control of the school. **I note that the identity of my son/daughter will not be revealed.**

- On behalf of my son/daughter/ward, **I refuse permission** to the IB to reproduce photographic and video images of my son/daughter/ward in whatever medium and, therefore, ask the school not to include my son/daughter/ward in any activity that will be photographed or videoed for submission to the IB.
