Unleashing the potential of every individual so they can own their future.

## MISSION

Engage. Enlighten. Empower.

## VALUES

CIS's values are a behavioural blueprint that shapes who we are as a school community and as individuals. In all that we do, we ask ourselves - does this promote what we value most?

- Collaboration
- Curiosity
- Creativity
- Generosity
- Respect

## FACULTY

Over 66% of staff hold advanced or double degrees. Many CIS faculty are IB trained. While CIS teachers may differ in nationality, background and age, they share a few common qualities. They are well educated, talented, and perhaps most importantly, they inspire their students, and their students inspire them.

## SECONDARY SCHOOL OVERVIEW

Secondary school at CIS is an environment that combines consistently high expectations for academic success with relentless care and support, resulting in students who are confident, passionate and driven to succeed.

Our school has a breadth and depth of programmes, a culture of innovation, and a commitment to diversity and global engagement that is unique. We focus on developing the knowledge, skills and attitudes essential for success in the 21st century. We teach students to think critically, to see the connections between subject areas, to adapt skills for the situation at hand, and to adopt a range of different approaches when solving complex problems.

Our academically challenging programme is complemented by a broad range of languages, fine arts, athletics and service learning opportunities designed to develop balance, deepen connections and uncover true learning potential.

## CURRICULUM

The secondary school curriculum is divided into two academic programmes - the IB Middle Years Programme (MYP) for students in grades 7 to 10 and the IB Diploma Programme (IBDP) for students in grades 11 and 12.

### MIDDLE YEARS PROGRAMME (MYP)

The core subjects in the MYP are Language and Literature (in English or Chinese), Language Acquisition (Chinese, French or Spanish), Mathematics, Sciences, Individuals and Societies, Arts (students specialise in one from grade 9 onwards), Design and Physical Education.

### DIPLOMA PROGRAMME (DP): GRADES 11 AND 12

The IB Diploma programme is a two-year course. Students complete six subjects, three at higher level (HL) and three at standard level (SL). As well as selecting one subject from each of the six subject groups, students must successfully complete the core three requirements of the DP: the extended essay, the theory of knowledge (TOK) and creativity, activity and service (CAS).

Full diploma requirement details can be viewed at [goo.gl/7bdRJS](http://goo.gl/7bdRJS).

If a student fulfills the CIS secondary school diploma graduation requirements, the student will be awarded a CIS secondary school diploma. This is the equivalent of an American secondary school diploma, and also has equivalency in many other countries.
