Semester two 30 October 2022

LATE PAYMENTS

CIS will impose a late payment fee and/or interest (as stated in the miscellaneous fee schedule) on any fee payments that are not received by the due date indicated on the invoice. CIS considers payment made one (1) day after the invoice due date(s) as late.

PRO-RATING OF FEES

New students commencing classes midway through a semester may have their tuition fees and support programme fees (if applicable) prorated by month. This means that new students commencing classes mid-month are required to pay tuition fees and support programme fees (if applicable) for the entire month including vacation periods. The pro-rated tuition fees and support programme fees payable for each month of the school year vary from month to month based on the fees to be consumed. The fees payable for midway entry can be requested from CIS.

MISCELLANEOUS FEES

There are some non-mandatory miscellaneous expenses which may be required for successful participation in each grade. Full details can be found on our website at www.cis.edu.sg/admissions/fees.
