The sibling discount scheme is designed for families who have three or more children attending CIS. Discounts are applied to tuition fees only, from the third child onwards. For example, if there are 3 children at CIS in the family, the youngest child will receive the discount on the tuition fees. Sibling discounts cannot be combined with any other discounts or bursaries.

## **FEE PAYMENT DUE DATES**

All tuition fees must be paid before the commencement of each semester by the payment deadline indicated below (or the date outlined on your invoice). Refunds, if any, are subject to CIS's refund policy.

Semester one	15 May 2024
Semester two	30 October 2024

## **LATE PAYMENTS**

CIS will impose a late payment interest (as stated in the miscellaneous fee schedule) on any fee payments that are not received by the due date indicated on the invoice. CIS considers payment made one (1) day after the invoice due date(s) as late.

## **PRO-RATING OF FEES**

New students commencing classes midway through a semester may have their tuition fees and support programme fees (if applicable) prorated by month. This means that new students commencing classes mid-month are required to pay tuition fees and support programme fees (if applicable) for the entire month including vacation periods. The pro-rated tuition fees and support programme fees payable for each month of the school year vary from month to month based on the fees to be consumed. The fees payable for midway entry can be requested from CIS.

## **MISCELLANEOUS FEES**

There are some non-mandatory miscellaneous expenses which may be required for successful participation in each grade. Full details can be found on our website at [www.cis.edu.sg/admissions/fees](http://www.cis.edu.sg/admissions/fees).
